APPLICATION FOR MEMBERSHIP

The Vision: The vision for Phoenix is to be a community based agency delivering quality services that make a difference in the lives of people who are involved with the agency. The agency will be recognized as a strong and vital community resource, known for its belief in people, creative approaches and willingness to bring joy and spirit to their work.

Phoenix Human Services is about people with passion meeting the diverse needs of individuals, families and communities.

The Mission: Phoenix offers a broad range of services to a diverse group of people. Despite the differences in people, their situations, and the services they receive, the commitment to enhance people's quality of living is embedded in all programs.

Building on the strengths and resourcefulness of individuals and families, Phoenix Human Services creates opportunities and provides supports to enhance quality of living.

The Values: Values are deeply held views of what is important; they are fundamental beliefs that guide the actions of the organization. They apply to all people involved with the agency and are reflected in all aspects of the agency's work. When organizations adhere to their values and principles, they convey a strong message about who they are and what people can expect. Phoenix Human Services is committed to the following values:

It is important to us:

1. To honour and respect everyone with whom we work.
2. To support each person to have an opportunity to shine.
3. To recognize the strengths within all people.
4. To support people accomplish their goals.
5. To support people to develop relationships and have a sense of belonging in the communities where they live.
6. To use our combined strengths as a force for positive change.
7. To celebrate the diversity within our communities.
8. To create environments that are safe, welcoming and caring.
9. To be open, honest and fair.
10. To have fun, humour and play in our work.
